**By tram:**

Lines 4 (blue) or 6 (purple), the most convenient stop is Tarongers – Ernest Lluch. See times and fares at Metro de Valencia. The same ticket of the metro is valid for the tram and vice versa. The first time you buy a trip, a single trip or 10 trips for 7.60€ for the zone A that includes the city, the machine gives you a cardboard ticket (Mobilis card) which could be recharged. These cardboard costs an additional 1€. It must be validated upon entering and exiting the metro and only upon entering on a tram. You can find more information [here](#).

**By bus:**

There are many bus lines that arrive to the UPV, but the closer bus lines are the **93 and 98** whose stop is “Colegio Mayor”. The bus stop is just in front of the main entrance. To indicate you would like to get off the bus, you must press the button “stop” inside the bus. More details about the bus routes can be queried [here](#). One trip cost 1.5€ and you can buy it directly at the bus (no card needed). You can buy a *Bonobus* (10 trips) on some tobacconists and kiosks (8.5€ + 2€ card).
